INFORMATION SHEET

Name of the university: J. Selye University	
Name of the faculty: Faculty of Education	
Code: KPP/UPVem/ PGD/15	Name: Pedagogická diagnostika v primárnom vzdelávaní
Types, range and methods of educational activities: Form of study: Seminar Recommended extent of course (in hours): Per week: For the study period: 10s Methods of study: present	
Number of credits: 3	
Recommended semester/trimester of study: 1.	
Level of study: II.	
Prerequisites:	
Conditions for passing the subject: The subject is accomplished by an exam that contains the course curriculum. Students take it in the exam session in the form of a written knowledge test. In order to pass, one needs to gain at least 50% of the total score of the subject. The evaluation is expressed on the grading scale in the following way: A – 90-100%, B – 80-89%, C – 70-79%, D – 60-69%, E – 50-59%.	
Results of education: Students will be familiar with the basic expressions: monitoring and evaluation, will understand the specifications of the pedagogical evaluation. They will understand the point of the individual concepts of pedagogical evaluation in its relation to the concept of education and they will be able to reflect on it critically and apply in the pedagogical activities. Students will be able to use the theoretical knowledge about the methods, forms, principles and rules of the pedagogical evaluation in their own pedagogical activities.	
Brief syllabus: Monitoring and evaluation in education – defining the basic expressions. The qualitative changes of understanding the point of the teaching process and learning. The concept of education and teaching process. The personality of the teacher in relation to the concept of education. The concepts, functions and dimensions of the pedagogical evaluation. The concepts of evaluation in relation to the concepts of education. The functions of the pedagogical evaluation. The dimensions of the pedagogical evaluation. The process, methods and forms of the pedagogical evaluation in relation to the teaching process. Mezzo-level and macro level of evaluation. External and within-school monitoring and evaluation.

INFORMATION SHEET

Name of the university: J. Selye University	
Name of the faculty: Faculty of Education	
Code: KPP/UPVem/ PGK/15	Name: Pedagogická komunikácia
Types, range and methods of educational activities: Form of study: Seminar Recommended extent of course (in hours): Per week: For the study period: 10s Methods of study: present	
Number of credits: 3	
Recommended semester/trimester of study: 5.	
Level of study: II.	
Prerequisites:	
Conditions for passing the subject: The ratio of ongoing and final evaluation is 50/50. Based on communication in standard social and educational situations, students can gain 50 points. Students have to hand in a reflection on a communication topic, for which they can get 50 points. The successful completion of this course is conditioned by obtaining at least 50% of the maximum possible points or grades of the subject. Assessment is based on the following scale: A – 90 -100%, B – 80 -89%, C – 70 -79%, D – 60 - 69%, E – 50 -59%.	
Results of education: During this course, a successful student will become familiar with the theoretical background and practical skills of communication in social intercourses, especially in the process of education. Throughout the activities, the student will learn the verbal and non-verbal elements of communication both in a monologue and dialogues. The student will learn how to cope with the communication of teaching in standard situations (e.g. welcoming a new student, praising students, speaking to the parents, etc.). The student will be able to use the elements of non-verbal communication and the paralinguistic aspects of communication mainly in school situations. The student will be able to analyse the lesson from the point of view of educational communication and will become proficient at the practical analysis of the communication structures in the protocol of the lesson.	
Brief syllabus: Introduction to communication. Communication, social communication. Defining basic terminology. Man and communication. The communication skills of an individual. Verbal communication. Words and their meanings. Paralinguistic aspects of speech. Practising speeches. Non-verbal communication. Expressive means of nonverbal communication. Types of nonverbal communication: facial expressions, looks, proxemics, gestures, haptics, postures, kinesis, appearance, olphactory and the environment. Specific abilities of personality in the process of communication. Empathy, assertiveness. Empathic and assertive behaviour. Their importance in interpersonal relationships. Educational communication. The participants of educational communication. Educational aims and educational communication. The rules of educational communication. Organizational forms and methods of teaching in terms of communication options. Mass teaching, group teaching, individualized teaching. Spatial distribution of participants. Verbal communication in the education process. Monological and dialogical forms of communication.	

Conversation in the education process. Questions about teaching. The function of questions, assignments, exercises in the development of all cognitive functions. Creating divergent tasks and exercises. Non-verbal communication in the classroom. Non-verbal signals and attitudes of participants in the process of education. Means of expression. The influence of the environment on communication. Personality and other factors. Persuasion - persuasion as interpersonal influence. Signs and modes of intervention (detection, suggestion, exemplification exercise). Barriers in communication. Social aspects of educational communication. Factors influencing attitudes to students, the consequences of the teacher's attitudes towards students.

INFORMATION SHEET

Name of the university: J. Selye University	
Name of the faculty: Faculty of Education	
Code: KPP/UPVem/ PRI/15	Name: Teória a prax primárneho vzdelávania
Types, range and methods of educational activities: Form of study: Lecture Recommended extent of course (in hours): Per week: For the study period: 10s Methods of study: present	
Number of credits: 3	
Recommended semester/trimester of study: 1.	
Level of study: II.	
Prerequisites:	
Conditions for passing the subject: During the semester students make a presentation on a given topic. 50 points can be obtained for the presentation. During the exam period, there is a written test based on the content of the course, for 50 points. The successful completion of the course is conditioned by obtaining at least 50% of the maximum points of the course. Assessment is based on the following scale: A – 90 -100%, B – 80 -89%, C – 70 -79%, D – 60 - 69%, E – 50 -59%.	
Results of education: The student will be able to navigate in the binding documents that determine the general objectives and key competencies of education, which also set the direction of education. The student will be able to list the components of the didactics of primary education in a consolidated system, according to the definition and classification of the related legislation and documents (the law on education and training, public education programme, etc.). The student will be able to implement cross-cutting issues as an integral part of the educational content of the field of education and suitable subjects. The student will be able to prepare thematic educational plans for individual subjects.	
Brief syllabus: The law on education, its structure. The national education programme and its content. The framework curriculum of primary education, educational areas, cross-cutting themes, competences etc. The national education programmes of individual subjects, their content structuring, content and performance standards. Thematic educational plans.

INFORMATION SHEET

Name of the university: J. Selye University	
Name of the faculty: Faculty of Education	
Code: KPP/UPVem/ SJL6/15	Name: Elementary writing and reading in Slovak language
Types, range and methods of educational activities: Form of study: Seminar Recommended extent of course (in hours): Per week: For the study period: 10s Methods of study: present	
Number of credits: 3	
Recommended semester/trimester of study: 3.	
Level of study: II.	
Prerequisites:	
Conditions for passing the subject: During the semester: Writing a seminary work – an interpretation and methodical analysis of a text from a school-book for schools with Hungarian teaching language - 50 points. Written exam of 50 points from the theory of the subject. For passing the subject, the student must reach 50% of the possible points. Evaluation A is at 90-100%, B at 80-89%, C at 70-79%, D at 60-69%, E at 50-59% of the total sum of points.	
Results of education: Student will be informed of the basic theoretical and practical knowledge and skills, which are needed for teaching Slovak language at the 1-4 classes of primary schools with Hungarian teaching language. The methodical analysis and interpretation work with schoolbooks makes students able to work at the Slovak lessons of the minority schools.	
Brief syllabus: Didactics of the Slovak language. Slovak language as a subject at 1-4 classes of the primary school. Place, aims, tasks and conception of teaching the Slovak language in schools with Hungarian teaching language. Communicative teaching of the Slovak language. Methods of teaching of Slovak language and its organisation principals. Structure of the lessons. Didactic material and techniques. Contrastive teaching of phonology, morphology, lexicology and syntax. Teaching of communication and composition. Phases, methods of composition.
