Level of study: II.	
Prerequisites:	
Conditions for passing the subject: During the semester students must present three exercises demonstrating teaching English through literature. This will earn them 30 points. Two tests will be administered with a score of 35 each. At least 90 points are required for grade A, 80 points for B, 70 points for C, 60 points for D, and a minimum of 50 points for E.	
Results of education: After successfully accomplishing this course students will be able to prepare lesson plans for teaching English as a foreign language through literature. Students will be able to use literary texts for the purpose of foreign language teaching.	
Brief syllabus: The course concentrates on using literary texts in foreign language education, and uses such texts as sources for language instruction and analyses them not from a primarily literary viewpoint. Students are motivated to focus on the text and do interactive exercises. The course is based on the idea that foreign language can be taught with the help of literary texts, and it examines the main goals, the approaches to classroom applications, selection of texts, the various steps in utilizing novels, short stories, drama and poetry. Student will do intensive work during the seminars: they will prepare actual lesson plans and use language games, video recordings, pictures, translations, etc.

Types, range and methods of educational activities: Form of study: Seminar Recommended extent of course (in hours): Per week: 2 For the study period: 26 Methods of study: present	
Number of credits: 4	
Recommended semester/trimester of study: 2.	
Level of study: II.	
Prerequisites:	
Conditions for passing the subject: During the semester, students need to hand in a seminar work, for which they can collect 50 points, and they need to present two activities demonstrating teaching English in the lower level of primary school - one activity for teaching grammar, one for teaching vocabulary. Each presented activity is worth 25 points, i.e. 50 points altogether. In order to obtain evaluation A, it is necessary to collect at least 90 points, for B at least 80 points, for C at least 70 points, for D at least 60 points, for E at least 50 points. Students with less than 50 points will not be given any credits.	
Results of education: By completing the course, students will be able to teach English in preprimary level and in the lower level of primary school in a playful way. Students will be able to design their own activities and lesson plans for the indicated target group.	
Brief syllabus: During the course, students get acquainted with a number of techniques of teaching English to young learners. The course focuses on teaching language in a playful way, several activities for teaching vocabulary (including topics such as Colours, Family, Animals, Vehicles, etc.) and activities for teaching grammar will be presented.
