Prerequisites:	
Conditions for passing the subject: During the semester, students need to hand in a seminar work, for which they can collect 50 points, and they need to present two activities demonstrating teaching English in the lower level of primary school - one activity for teaching grammar, one for teaching vocabulary. Each presented activity is worth 25 points, i.e. 50 points altogether. In order to obtain evaluation A, it is necessary to collect at least 90 points, for B at least 80 points, for C at least 70 points, for D at least 60 points, for E at least 50 points. Students with less than 50 points will not be given any credits.	
Results of education: By completing the course, students will be able to teach English in preprimary level and in the lower level of primary school in a playful way. Students will be able to design their own activities and lesson plans for the indicated target group.	
Brief syllabus: During the course, students get acquainted with a number of techniques of teaching English to young learners. The course focuses on teaching language in a playful way, several activities for teaching vocabulary (including topics such as Colours, Family, Animals, Vehicles, etc.) and activities for teaching grammar will be presented.
