<b>Brief syllabus:</b> - 5 lessons of observation: passive participation in the lesson taught by the teacher trainer during which students observe the course of the lesson respectively several aspects of the educational process and record their experiences in observation sheets; - 5 lessons of preparation: students prepare lesson plans according to the instructions and guidance of the teacher trainer for their active teaching activity, respectively for leading the teaching process; - 5 lessons of active teaching activity: students teach in a class selected by the teacher trainer as an independent teacher and lead the lesson; - 5 lessons of analysis and evaluation: the teacher trainer and the student analyze the activities of the student together from a methodical and didactic point of view.	
<b>Literature:</b>	
<b>Language, knowledge of which is necessary to complete a course:</b> Hungarian	
<b>Notes:</b> Final teaching practice - active teaching activities of students (trainees) under the supervision of a teacher trainer based on written preparation. It has two forms: continuously performed teaching practice and coherent teaching practice. Students undergo continuously performed teaching practice from one subject of their approbation in the second semester of master's studies (in range of 20 lessons per semester) and in the third semester from the second subject of their approbation (in range of 20 lessons per semester). Students complete their coherent teaching practice in	

the fourth semester of their master's studies in the range of 40 lessons in each subject of their approbation - 20 lessons at primary school and 20 lessons at secondary school (from the first subject of their approbation: 40 lessons = 20 lessons at primary school + 20 lessons at secondary school, from the second subject of approbation: 40 lessons = 20 lessons at primary school + 20 lessons at secondary school).
